

REMARKS

Claims 11-13 are pending with Claim 11 being the sole independent claim. Claim 11 has been amended herein to improve its form without substantially changing its scope. As a result, this amendment is needed for proper protection of the invention and would require no substantial amount of additional work on the part of the Office. Therefore, this Amendment satisfies the criteria for entry of MPEP § 714.16 and such entry is respectfully solicited. In addition, the undersigned spoke with the Examiner by telephone on June 18, 2010, and he agreed that such an amendment is enterable.

Any fee required in connection with this paper should be charted to Deposit Account No. 06-1205.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should be directed to our address given below.
